

Outreach Opportunities for November 3rd Election

Opportunities in Illinois

Common Cause: Election Protection LWV partner Common Cause has launched their Election Protection Program for 2020. They are hosting a variety of training programs, including a new program adapted for a COVID-19 reality: **Social Media Monitoring**. This volunteer opportunity will play a critical role in protecting the right to vote during this challenging time. All interested volunteers (even former supporters) should please complete Common Cause's [dedicated submission form](#) to select what kind of role you would like to play in their program. Questions? Contact: Tyler St. Clair, Outreach Manager, Common Cause Illinois
