Re: Garden Plot information

The District has 2 locations for garden plots, Centennial Park and West Park. The size of each garden plot is 10'x20', which cost \$40 for residents and \$70 for non-residents. Around 50% of our renters will rent their plot for 8-10 years. The longest renter of the gardens plots is 37 years and that renter is renting a plot at West Park.

Centennial Park

- Number of plots-69
- Number of people on the waitlist-61
- 90% of renters come from the east side of Locust Road
- 8% of the renters are non-residents

West Park

- Number of plots-85
- Number of people of the waitlist-28
- 70% of renters come from the east side of Locust Road
- 18% of renters are non-resident
